

# The County Collection

Available as a solid door or glazed with a square or diamond light, the Stable Door comes in a range of colours to suit all types of homes. It's also the ideal choice for country living and outdoor lifestyles.

High security locks are used throughout. The split upper and lower door leafs can be locked to frame independently offering maximum security.

The stable door features high security locks that engage into the outer frame and an interlock between the top and bottom leaf.

## The Stable Door

Our Stable Door offers you the best of both worlds – a window and door in one. Opening the top door only keeps children and pets safe and secure, while allowing fresh air into your home. High security locks and an effective weather-seal ensure it performs just as well as a standard single door. The lower half also accepts cat and dog flaps.

## The Twin Door

Where wider access is required, you can double your options – literally – with the Twin Door. Available in six of our most popular styles, the Twin Door combines practicality with cutting-edge style and security. Great for porches, the Twin Door is also suitable for French Door applications to suit all types of homes.

The Stable/Twin Door Colour Options:

Please note that all images are provided as a guide only. Due to the nature of the various materials used in the manufacturing process, there may be slight variations in colour between the door outerframes and the door leafs. Handles, letterplates and door furniture may vary. As part of our commitment to continuous improvement, we reserve the right to modify/change the specification without prior notice.

## Door Combinations

Complement your entrance door with matching side panels. Perfect for wider apertures, there are a number of possible combinations from our Suffolk and Essex ranges. Where space allows, side panels enhance darker interiors by increasing light levels and present a smart and co-ordinated appearance to the outside world.
